Description

Superb bronze sculptural bust representing a bearded male head of Greco-Roman inspiration, evoking the great figures of classical antiquity. The quality of the casting and modeling is distinguished by great finesse of execution: powerful, expressive features, deep eyes, hair and beard treated in undulating volumes, in a spirit close to antique fragments. The surface has a rich, nuanced patina, with subtly oxidized brown tones, giving the piece an authentic, timeless character, particularly sought-after in collectors' interiors. Mounted on a modern black metal base, this bust becomes a veritable central decorative object, creating an elegant contrast between classicism and modernity. A piece of character, ideal for sublimating a console, desk or reception area, and bringing a strong sculptural
