Description

Here are two small paintings that smell of garrigue and the landscape and light of Provence; one a sunset, the other a full day. For one, and a full day for the other. Gall, an artist of Swiss origin but a great specialist of the landscape around Aix-en-Provence, has signed these two on a wooden panel, and are offered as a pair in gilded frames measuring 30 cm by 35.5 cm and 16 cm by 22 cm for the panels alone. One depicts a sunset over a farmhouse surrounded by pine trees and the other depicts a figure in a sunny landscape, with the buildings of a farmhouse, certainly near Aix-en-Provence, where the artist was a regular habit. In very good condition, they are signed lower left. The old frames will be professionally restored or, if necessary, changed
