Description

Small felt-tip drawing of a crown surmounting his signature, made by Salvador DALI on the frontispiece of the book "Dali by Dali", DRAEGER publisher, dated 1971. Gala DALI, for her part, added her signature inside the book, on her left hand while she is represented naked caressing a swan. We very rarely find the 2 signatures together of DALI and Gala, the latter having few autographs! The other signatures and texts written on the frontispiece are those of people present during this festive evening such as the guitarist Rudolf WANGLER, friend of DALI ("with love, Rudolf and Irène Wangler"). A signature is followed by the words "Cadaquès, le 29 -4-71" which allows us to know the place and date of this evening (take care : the writing at the top left "In Nancy, October 27, 1970" has nothing
