

18th Century Vènerie Dagger In Horn And Silver

850 EUR

Period : 18th century

Condition : Bon état

Length : total 67 cm

Description

Large, elegant 17th century hunting dagger in horn and silver. The steel blade is finely engraved with arabesques and bears the arms with a crescent moon under a canopy. The horn handle is adorned with 6 silver cabochons, and the guard is worked in repoussé silver with shell decoration. The scabbard is missing and the blade is slightly oxidized.
