### Description

Embroidery on silk. The large, elegant champagne-colored silk panel is richly embroidered with a naturalistic motif in the same color, composed of flowering chrysanthemums and bamboo, upon which multicolored birds delicately rest. The embroidery was applied to canvas and framed in a metal frame with legs, serving as a room divider. The item is in good condition, with minor signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
