Description

A Piece of Industrial History Worth Collecting
This splendid set of wooden molds in various shapes and sizes from the "Zanotti Foundry" in Santarcangelo di Romagna, dating from the early 20th century, represents a unique opportunity among my offerings. These items are not mere objects, but authentic fragments of Italian industrial archaeology, capable of lending timeless charm to any setting. Furthermore, the variety of shapes offers endless decorative possibilities. Undoubtedly, such a rare and well-preserved set will increase in value over time. Consequently, this purchase is perfect for both discerning collectors and lovers of exclusive interior design. Global shipping and maximum transparency To ensure a smooth transaction, we handle every logistical detail with the utmost
