Description

Rare bronze cat by artist Maria Romagnoli, whose works are rarely seen on the market. This exceptional piece embodies the elegance and finesse of the artist's work, with a harmonious posture and captivating presence. 40 cm high, this sculpture is distinguished by its refined aesthetic, sublimated by a double patina. The body, covered in a deep green, contrasts beautifully with the golden details of the eyes, which give it an almost living expression. Every curve and texture testifies to the craftsmanship and attention to detail. This work is signed and dated 1995, making it a precious testimony to the artist's creative period. It also bears the mark of the Candide foundry in Paris, a benchmark in the art foundry field, guaranteeing impeccable quality. This is a limited edition, numbered 3/8, reinforcing its rarity and
