### Description

Italian hand-turned and hand-painted ceramic table lamp, signed "M. Vanni Firenze Italia". Italian craftsmanship from the 1960s-1970s in a Tuscan and Orientalist spirit. The decoration depicts a lakeside landscape animated by characters, pavilions and stylized vegetation, treated in brown, black and ochre tones on a speckled beige background. The cylindrical shape is reminiscent of certain mid-century Florentine artisanal productions. It is also reminiscent of the shape of 19th-century English tea caddies. Beautiful overall condition, a few slight paint chips on the upper part.
