2 500 EUR

Description

An antique oil-on-canvas painting in a period gilded wooden frame depicting a 17th-century still life with flowers. The composition extends vertically from a central goblet-shaped vase with a decorated stem resting on a surface. The flowers are arranged in a geometric pyramid or radial pattern typical of Baroque still lifes, designed to fill almost the entire central space. The background is completely dark, a technical choice derived from Caravaggism that serves to nullify the surrounding space and bring out the vivid colors of the petals. Provenance: Naples, 17th century. General Condition: Good condition. Dimensions: 70x80cm. Documentation: Certificate of Authenticity. Assistance: We are at your disposal for further clarification or additional photos. Shipping: Throughout Italy,
