

## Pair Of Green And White Opaline Vases, Attributed To Baccarat, Napoleon III Period

1 200 EUR

Period : 19th century

Condition : Très bon état

Material : Opale

Height : 25

### Description

Elegant pair of green opaline vases of fine quality, adorned with an applied relief decoration of white leaves, enhanced by fine gilding on the neck and base. The workmanship of the opaline, the quality of the relief and the elegance of the decoration evoke the prestigious French productions of the 19th century, and in particular the creations attributed to the Baccarat house, Napoleon III period. Very fine decorative presence. Good overall condition, with slight wear consistent with age. Height: 25 cm.
