### Description

Art Deco glazed ceramic bathroom set - Circa 1930  
Rare Art Deco bathroom set in white glazed ceramic with blue net decoration, including a wall-mounted washbasin, its console column and two matching soap dishes. The washbasin features a geometric shape typical of the 1930s with cut angles and clean lines. It is fitted with its original faucets. The column-mounted console, with its architectural design, features the same linear blue decorations characteristic of the Art Deco style. The two wall-mounted soap dishes harmoniously complete this particularly decorative set, which has become difficult to find in its entirety. Nice set for restoring an old bathroom or vintage decor. Era circa 1930. Dimensions: Sink: H 44 x W 82 x D 56 cm  
Column / console: H 80 x W 76 x D 47
