Description

Neoclassical corner cabinet with rosewood and mixed wood veneers. Inlaid medallions featuring vases and ribbons in maple and stained maple on the top, front doors, and side panels. Drawer in the lower section beneath the top, truncated pyramid-shaped legs, and gilded wrought bronze grilles and handles. Interior in oak, molding missing. Holland, late 19th to early 20th century. Product condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the description takes precedence.
