Depth : 206

Description

Pair of single beds made of iron and sheet metal, lacquered and painted to resemble wood and gold, embellished with bronze accents. The footboard features a chiseled fan motif with a cherub, while the headboard features a floral openwork medallion and a cherub with flowers. Italy, late 19th century. Product condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the description takes precedence.
