Description

Vintage Danish teak side table - Kaj Winding for PJ Furniture
Charming Scandinavian side table edited by PJ Furniture and designed by Kaj Winding in the 60's. A model with sober, elegant lines, typical of mid-century Danish design, with a light structure resting on cylindrical legs and thin struts. Made in teak, this small table seduces with the quality of its grain and its balanced proportions. Ideal as a sofa end, bedside table or small side table. The original "Made in Denmark - Design Kaj Winding" and "Danish Furnituremakers Control" labels are present. Condition: very good vintage condition, fully cleaned and restored. Slight, unobtrusive traces of age.
