Description

Large reconstituted stone garden statue -
Antique-style female figure (mid-20th)Important garden statue representing a draped female figure in the taste of classical antiquity.This elegant sculpture features a beautiful hieratic attitude and refined drapery work.The face framed by long, wavy locks and the sober posture give the whole a timeless decorative presence.Rendered in reconstituted stone or composite material in the taste of antique sculpture and classical garden ornaments.Very beautiful exterior patina with natural traces of aging, moss and weathering fully participating in the work's charm.This statue will find its perfect place in a garden, courtyard, park, terrace or as interior decoration in a classical or Mediterranean spirit.Good overall antique condition with wear and erosion consistent with
