Description

A true "impressionist of speed," Delbasten has magnificently captured the heroic era of the racing pioneers of the 1920s and 1930s, long before the advent of big-name sponsors, when cars still proudly displayed their national colors. Although he paints scenes from the 1920s and 1930s, the texture of the paper and the style of the signature indicate that these works were produced for nostalgic purposes between 1950 and 1970.
