

## Vintage Danish Teak Wall Lamp

195 EUR

Period : 20th century

Condition : Bon état

### Description

This superb Scandinavian wall lamp from the 1960s combines the elegance of teak and the charm of a lampshade combining glass and fabric. Its particularity: it is mounted on an articulated/adjustable hook, which allows you to easily direct the light according to your needs. Ideal as a bedside reading light, above a desk or in a reading corner. It diffuses a soft and warm light. Dimensions: Length 50 cm x height 35 cm
