

Vintage Bookcase With Glass Doors

575 EUR

Period : 20th century

Condition : Bon état

Description

This small vintage bookcase with compass feet has been carefully restored, sanded, treated and waxed. Its interior has been painted in a deep green that harmonizes perfectly with the warmth of the wood, while the background has been replaced. Practical and modular, it has four removable shelves, one side of which is painted green to allow you to vary the styles between a wood contrast or a total green look. Its original lock and key are perfectly functional, making this glass cabinet an ideal piece in a library or display case. Dimensions: Height: 155 cm, Width: 85 cm, Depth: 34 cm.
