### Description

Important Art Deco period enfilade in walnut and leather, resting on an elegant architectural base with stylized scrolls. This piece of furniture is distinguished by its sober, monumental lines, typical of French furniture from the 1930s-1940s. The front opens with four doors: two wide side panels uncovering storage spaces with shelves, two central doors sheathed in red-brown leather open onto interior shelves. The richly carved side jambs add a refined decorative touch while retaining the geometric purity characteristic of the Art Deco style. Very fine quality cabinetry with a superb warm, deep patina of the wood. The cabinet offers exceptional storage capacity while retaining an elegant, balanced silhouette. Dimensions: Height: 94 cm Length: 250 cm Depth: 52 cm Very good overall
