## Scandinavian Vintage Desk

500 EUR

Period : 20th century

Condition : Bon état

### Description

Double-sided desk dating from the 60s - 70s.  
Found in Denmark, it is made of teak. It offers plenty of storage with its 9 drawers: 4 on each side of the chair and 1 central. With its niche on the back, it can easily be placed in the middle of a room. The top has been sanded and varnished. However, a few brands resisted us. Period: 60s - 70s  
Origin: Denmark  
Materials: Teak  
Color: Wood  
Style: vintage, Scandinavian  
Restoration: The top has been sanded and varnished. A few brands resisted us.
