

Old Vintage Chests Of Drawers

440 EUR

Period : 20th century

Condition : Bon état

Description

This vintage chest of drawers from the 60s, of Danish origin, is designed in teak. Its Scandinavian style brings a warm note to your interior. It offers a practical storage solution thanks to its four drawers with round handles, and has benefited from a careful restoration with a change of the feet. Period: 1960s Origin: Denmark Materials: teak Color: wood Style: vintage, Scandinavian Restoration: change of feet Dimensions: H83cm x L85cm x D45cm Operation: it has 4 drawers with pretty round handles.
