Description

Arita hard porcelain vase. Enameled decoration of medallions representing imperial "Mon" Kiri-mon and Kiku-mon, the neck in cobalt blue grand feu. Exceptional, highly artistic decoration, quite different from the models produced in Arita during this period, certainly created for a Japanese patron, as confirmed by the rare, elegant shape. Arita kilns, Japan early 19th century, perhaps earlier. Good condition, one very slight crack at the rim, visible on photo. Height: 30cm.
