### Description

Silver-plated trivet by Christofle in Paris. The design features a hallmark displaying the various silver hallmarks of the Farmers General under the Old Regime system from the 17th to the 18th centuries. The hallmarks include the "charge" hallmarks indicating the towns where the silver objects were made, the "discharge" hallmarks, and the "guild" hallmarks indicating the year of manufacture. A practical and useful item, but also very informative!
