

## Carved Boxwood Gantier Hand From The 19th Century

260 EUR

Signature : Anonyme

Period : 19th century

Condition : En l'etat

Material : Solid wood

Width : 8cm.

Height : 27 cm. hors tout

Depth : 7 cm.

### Description

I offer you this rare carved boxwood hand. It comes from the family tradition of a Chartres glove maker. The thumb is mobile and spring-loaded, allowing it to block something with the index finger, which is fixed. Perhaps a business card. No significant wear to suggest a prosthesis. Traces of very old gluing on the index and little fingers.
