

## Set Of Wwi British 08 Straps

910 EUR

Period : 20th century

Condition : Bon état

### Description

First World War British Model 1908 equipment set. Dating from various years between 1915 and 1918, it includes: a medium-sized belt, crossed shoulder straps (one dated 1945), a side saddlebag, a blue enamel flask in its harness, and a pair of .303-caliber ammunition carriers. An ideal set to complete a WWI mannequin.
