Description

Glazed terracotta beaker with a wide belly, a spout and three handles, also called Gargoulette, Chevrette, Cruche, Jarre, Vinaigrier it all depends on its purpose and the region of France where it was made. This one is made in the Languedoc region of France, and was mainly used to store walnut oil, as well as a decorative object because of the cracks which were solidly restored a long time ago. It is decorated with eight vertical thumb stripes.
