Pair Of Bohemian Crystal Bottles - 19th Century, Napoleon III

1 700 EUR

Period : 19th century

Condition : Très bon état

Material : Crystal

Description

Pair of 19th-century decorative bottles in blown Bohemian crystal, made during the Second Empire (Napoleon III style). The pieces feature a refined decoration of polychrome enamels and gilded highlights, with a body in water-green and opaline white hues, adorned with floral motifs and gilded architectural fillets. The set rests on a circular base and is finished with matching stoppers worked in the same decorative spirit.
Dimensions : 12 cm x 8 cm
