Description

An elegant center table or coffee table from the early 19th century, featuring a fine oval top in polychrome scagliola and an elegant red-lacquered wooden frame with delicate gilded decorations. The top features a black background decorated with a border of plant clusters, leaves, and ornamental motifs executed in golden tones, in keeping with the neoclassical style prevalent from the late 18th century through the early decades of the 19th century. A refined medallion stands out in the center. The frame rests on four curved legs, lacquered in a warm cinnabar red and decorated with elegant gilded motifs. The ensemble creates a pleasant chromatic contrast between the black of the top, the red of the base, and the gilded decorations. **ADDITIONAL INFORMATION:**
