

## Antique Small Display Cabinet - Walnut - 19th Century

500 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

### Description

This is a display case or wooden shrine designed to house and protect individual sacred sculptures or groups of sculptures. It features a triangular pediment at the top that evokes the facades of classical churches. Side columns: Two turned wooden columns frame the front glass panel. Sacred interior: Lined in red with fabric curtains, typical of Catholic liturgical furnishings. This type of piece was used in private chapels, sacristies, or above altars to house: The Blessed Sacrament (as a true tabernacle). Relics of saints. Small devotional statues or valuable crucifixes. H 74 cm - W 49.5 cm - D 25 cm
