

Pair Of Baccarat Clermont Crystal Fruit Bowls, Early 20th Century

200 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Height : 14,8-15,5

Depth : 16-16,5

Description

Pair of faceted crystal fruit bowls, model Clermont by Baccarat. This attribution is plausible, as the manufacturer's mark is not present on the base of the bowls. It should be noted that this is not a perfectly identical pair: slight differences in thickness and dimensions, noticeable at first glance, indicate artisanal production in which each piece retains its own uniqueness. Condition: excellent overall condition: clear crystal, no visible cracks or chips.
