

Michel Dufet Modernist Desk And Armchair In Ceruse Oak

3 500 EUR

Signature : Michel Dufet 1888- 1985

Period : 20th century

Condition : Très bon état

Material : Oak

Description

Superb desk and armchair set attributed to Michel Dufet, an architect and decorator renowned for his modernist creations. In ceruse and varnished oak. Leather upholstered armchair in excellent condition. The desk opens to two doors and three drawers. Interior layout with sliding compartments, very practical given the depth of the desk. Two side pulls. The handles are in bakelite (one of them shows a small repair - solid -, see photo). The top is in good used condition, with a few small, barely perceptible stains to report. Modernist structure with a recess at the base of the armchair and desk, black lacquered. Functional and solid.
