Description

Pair of paintings, oil on panel, signed and dated "Van Hier '72" - "Venetian Lagoon View and Dutch Harbor View" An elegant pair of oil paintings on panel, signed by Van Hier and dated 1872, depicting evocative lagoon and harbor views in the Venetian and Dutch styles. The works feature soft, luminous atmospheres, enlivened by glimpses of water, boats, and historic architecture rendered in warm tones and delicate shades. The compositions, with their strong decorative impact, evoke the Venetian painting tradition, with particular attention to the play of light and reflections on the water. The panels are enhanced by period frames in gilded and lacquered wood, with a pleasant patina of age. Some sources identify the artist as Auguste (or Augustus) Van Hier, a Dutch painter
