

19th-century Plaster Bust Of Isis

950 EUR

Period : 19th century

Condition : Etat d'usage

Material : Plaster

Width : 22

Diameter : 18

Height : 51

Depth : 20

Description

Superb 19th century bust of a goddess in the Antique style. This plaster cast is based on an antique model from the Roman period on display at the Vatican. It has been identified as a representation of the Egyptian goddess Isis after her integration into the Roman pantheon. Good condition (minor accidents), good patina.
