Description

In an Italian-style format, i.e. horizontally, here's a gilt bronze cloisonné enamel photo frame with turquoise blue dominant and studded with flowers interlaced with scrolls. The back plate for the photo is fastened with screws, one of which is a little more difficult to fasten due to the ageing of the wiring over the years. For hanging or standing, it comes with its own protective glass. Photo 13.5 x 8.5 cm Shipping in France and internationally, contact me for details
