Description

Indian Punjabi wool rug - 250 x 350 cm - Handmade
Elegant Punjabi rug, made from fine quality wool, with generous dimensions. This model is distinguished by its rich floral and geometric-inspired decoration, finely arranged in a harmonious composition with traditional Oriental influences. His color palette features delicate shades of beige, ivory, sand, ochre, brown and some stronger accents, offering beautiful visual depth and a particularly decorative natural patina. The variations in hue, linked to the rug's age and normal use, play a full part in its charm and authenticity. The border elegantly frames the highly ornamented central field, creating a refined ensemble that fits equally well in a classic or contemporary interior. Condition: very good overall condition.
