Pair Of Large Candelabra With Caryatids In Patinated And Gilded Bronze, 19e Century

8 600 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

Pair of 19e century candlesticks, composed of draped female figures in patinated bronze, each supporting a luminous bouquet with several gilded bronze arms. The light arms, adorned with finely chased foliage and floral buds, elegantly unfurl in a neoclassical spirit.The sculptures rest on pedestals in veined red marble, themselves mounted on quadrangular gilt bronze bases, creating a refined contrast between the different materials. With their imposing proportions and the quality of their execution, these pieces form a remarkable decorative ensemble.Dimensions:Height: 112.5 cmWidth: 30 cmDepth: 15 cm
