

Chapin, Portrait Of Children.

450 EUR

Signature : chapin

Period : 20th century

Condition : Bon état

Material : Solid wood

Length : 46

Height : 55

Description

A seascape painter who knows how to render the harshness of the sea. Benezit. He uses few colors here, just a touch of red for the sailor's pompom, for a personal and true double portrait of the world of childhood.
