Description

This rare Art Nouveau stool by George Hulbe (late 19th century) is an authentic example of the Jugendstil style. Its elegant faux bamboo structure and graceful forms bear witness to the craftsmanship and refinement of the period. The original leather is perfectly intact, showing a magnificent patina and adorned with decorative studs full of character. The combination of high quality leather and handcrafted finishes gives this antique stool a luxurious and unique allure. Ideal as a seat, side table or decorative element in a classic, modern or eclectic interior. An exceptional collector's item for lovers of antique furniture, Jugendstil design and exclusive interior decoration. Good antique condition, showing traces of wear, patina, marks and imperfections consistent with its age and use, as illustrated in
