### Description

This antique bedtable, which doubles as a bed bench, adds character and historic charm to any interior. It rests on elegant turned legs and is richly adorned with fine wood carvings. The front features a magnificent floral motif and carved head in the center, while the sides are also richly decorated. The top features a decorative floral motif with an inlaid hunting horn pattern and an elegant scalloped bevelled edge. An exceptional piece of antique furniture that blends perfectly into a classic, country or eclectic interior, instantly adding a warm, authentic ambience.
