Description

American curtain desk with Underwood typewriter. By tilting the central tray, the typewriter is housed in a lower compartment so that it is no longer visible. The lower part has two pedestals on plinths opening with seven drawers, one of which is double. The upper part features numerous drawers, several pigeonholes and two pen trays. Early 20th century Very good condition and beautiful patina. Can be disassembled into two parts for transport. His armchair will soon be available for sale.
