Description

Elegant English mahogany sideboard - XIXe century  
Beautiful solid mahogany sideboard of English origin, resting on four turned feet. It opens on the front with two drawers, drawer pulls and retains its original central lock.  
The top is encircled by a curved gallery for practical use as a serving cabinet. Two wide provide ample storage or display space.  
This the quality of its warmly grained mahogany, its harmonious proportions and the sober elegance typical of English furniture of the first half of the XIXe century. This piece of furniture is a delight to the eye. Furniture which can be used as a sideboard, console, display unit or low bookcase in a classic as well as contemporary interior. Era: first half of the XIXe
