Description

Early 20th century marine painting by Adolphe Louis Gaussen. He was a French painter specializing in coastal and seascape painting, and a pupil of Jean Baptiste Olive in his youth, he was appointed official painter to the French Navy in 1928. Very beautiful painting of a Mediterranean coastline, where the artist masterfully demonstrates his mastery of technique and the freedom of his palette to create a luminous, spirited rendering. A collector's and decorative painting for a typical subject in the artist's production, rare on the market. Vintage wooden frame 42 by 50 cm. Possibility of shipment in France and worldwide by secure and insured package with order tracking. Invoice and certificate supplied. Pick-up available at Mas d'Avalrich Montéscot 66200 t 0611142533.
