

Elegant Bowl In Bronze And Polychrome Cloisonné Enamel

200 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

Elegant bronze bowl resting on four feet, decorated with polychrome cloisonné enamels featuring floral and ornamental motifs on a turquoise-blue background. The finely-worked bronze frame highlights the richness of the colors and the refinement of the execution. This decorative piece, inspired by traditional Asian art, makes a fine ornamental or collector's item. Height: 13 cm.
