

## 18th Century Pomponne Snuffbox

220 EUR

Period : 18th century

Condition : Etat d'usage

### Description

Pompon snuffbox of oval shape from the 18th century. The lid and reverse are scattered with small rounded motifs. On the thickness and around the rim, various decorations including musical instruments. The condition is rather satisfactory despite the presence of a small weld as well as a slight deformation and a small lack on the hinge without compromising the opening of the snuffbox. L: 8,8cm | 4,8cm | H: 2cm
