650 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Description

Picardy drainer in cherrywoodPicardy, XVIIIe centuryRare and authentic Picardy solid cherrywood drainer, a remarkable witness to the traditional domestic furniture of Picardy in the XVIIIe century.This piece of furniture opens with a door featuring an elegant panel inlaid with cherrywood frieze arranged in a herringbone pattern. The interior retains its layout designed to receive and dry dishes, in keeping with the original function of these pieces of furniture that have become particularly sought-after today.The front is completed by a storage drawer and an openwork lower section characteristic of regional drainers. The molded jambs, cut-out feet and beautiful antique hardware contribute to the balance and charm of the ensemble.Made from high-quality cherry wood, this piece of furniture
