### Description

A Piece of History in Your Living Room Imagine owning not just a piece of furniture, but a true piece of history capable of radically transforming the atmosphere of a room. This stunning pair of 19th-century hand-carved walnut armchairs represents the pinnacle of period craftsmanship. Moreover, these pieces convey an immediate sense of prestige. Indeed, their imposing presence is undeniable. Consequently, they are the perfect investment for those seeking luxurious and authentic furniture. Superior Quality and Original Patina When we speak of quality, we refer to the exceptional craftsmanship of 19th-century cabinetmakers. First, the solid walnut frame features an extraordinary original patina, highlighting its historical value. Furthermore, the carvings were executed entirely by hand,

displaying meticulous details and a rare artistic complexity. Although they are in excellent overall condition, it should be noted that the upholstery will need to be replaced to ensure maximum comfort. However, this minor adjustment allows you to customize the thrones to suit your own stylistic taste.

**Impressive Dimensions and Versatility**In terms of dimensions, these are pieces with a commanding presence: 100 cm W x 60 cm D x 124 cm H. Consequently, they are ideal for placement on either side of a fireplace, in the entrance hall of a historic residence, or as the focal point of a reception room. Certainly, these dimensions require adequate space to be shown to their best advantage. Despite their solemn nature, they also adapt surprisingly well to eclectic settings that blend the antique and the modern.
