peripheral relics are present, but their inscriptions are now partially erased. This composition brings together some of the most important figures in Jesuit spirituality. St. John Nepomucene (c. 1345-1393), martyr from Bohemia, is particularly invoked as protector of the secret of confession and against slander. This composition brings together some of the most important figures in Jesuit spirituality. Condition : Good condition with wear and traces of time consistent with age. In accordance with canon law (can. 1190 §1), this sale concerns only the reliquary as an object of sacred art. The relics it contains are not the object of the transaction, but are included free of charge for their historical and cultural value. Do not hesitate to contact me for any further information or request for additional photos concerning the objects offered for sale.
