Anatomical Model In Polychrome Papier-mâché, Circa 1900

1 100 EUR

Period : 19th century

Condition : Etat d'usage

Material : Other

Width : 40 cm

Height : 80,5 cm

Depth : 25 cm (socle)

Description

Large papier-mâché anatomical model circa 1900, with removable organs and open cranial section. The original polychromy and detailed treatment of the various parts correspond to the appearance of scientific teaching models of the late 19th and early 20th centuries. Many removable elements have been preserved, including organs and various parts of the skull.
