Description

Beautiful and elegant high rechambered, arched woodwork in cream lacquer, with central niche; in perfect classical taste. In remarkable condition of wood and lacquer.The width of each is rounded in the shape of an arch in interior depth. The top half open to the middle is arched; the bottom half is customary woodwork decoration in the classical taste as indicated above. The top half open to the middle is arched; the bottom half is customary woodwork decoration in the classical taste as indicated above.The top half open to the middle is arched.Two pieces of corner panelling -as shown, or interior partition doors, or even from a luxury store (traces of hinges and a handle on the back suggest these hypotheses). For all that, this woodwork can dress two corners in an apartment or house..Dimensions;Height 2 m
