Description

It's a small photo frame model this one, but it's got nothing to envy the big boys. It has a square format with an oval Marie-Louise in red velvet. The hoop is in gilded bronze, as is the frame with its dominant décor of pleated Louis XVI ribbon in the company of quivers and laurel branches. The baguette is edged with a pearled frieze with heart-shaped raisins towards the inside. The original glass is convex. Oval dimensions 2.6 x 3.3 cm Shipping in France and internationally, contact me for terms
